## DEPARTMENT OF INFORMATION TECHNOLOGY

## A REPORT ON VALUE ADDED COURSE – Web Development using Python (Django)

## 21.02.2022 – 26.02.2022 (6 days)

**Resource person :**

**Mr Richard Rozario, Developer, SmartAnt Technologies Pvt. Ltd., Chennai**

Department of Information Technology has organized a value-added program on "**Website Development using python (Django)**". This course was conducted from 21-02-2022 to 26-02-2022 for 54 students of II IT (48 in no.) and III IT Students (6 in no.).

On day 1(21.02.2022), the students learnt about the basic concepts in python like branching, looping statements, functions and modules. This made them to recollect the basics of python once again.

On day 2 (22.02.2022), the students stepped into web development by installing required softwares like anaconda, python IDLE and sublime text editor. Students started to create a project.

On day 3 (23.02.2022), the students learnt how to display a text and add an image in home page using html.

On day 4 (24.02.2022), the students learnt to create headers and footers and added some bootstrap components to our website. Via Bootstrapping, device responsive web applications can be created.

On day 5 (25.02.2022), the students started to create some blogs using admin panel and added tinymce editor to make our blog's view much better.

On day 6 (26.02.2022), the students learnt to create a super user to deploy our website on internet using Heroku server.

**The resource person also activated the same course in their website at free of cost for further references.**

Overall,the course in very useful and interactive. We learnt lot of new things related to website development. This course will enhance our skills at website development in future.

Our performance was evaluated through MCQS Test and an assignment was given with submission date as 18.03.2022

We take this opportunity to thank our College Management, Our Principal Dr.S.Senthil, our department HoD, Dr.P.Subathra, Prof /IT and our faculty members for arranging such a wonderful course.

As a result of this course, students have designed their own blog sites and deployed it in the local machine.

**SCREENSHOTS:**

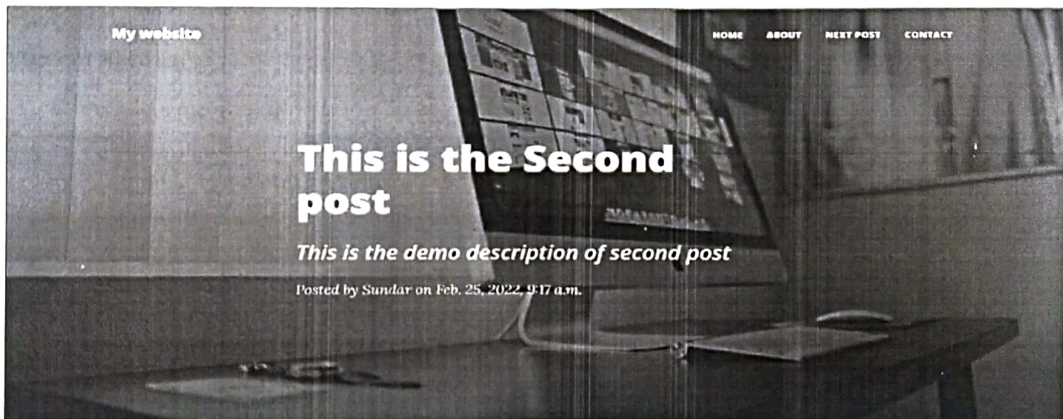

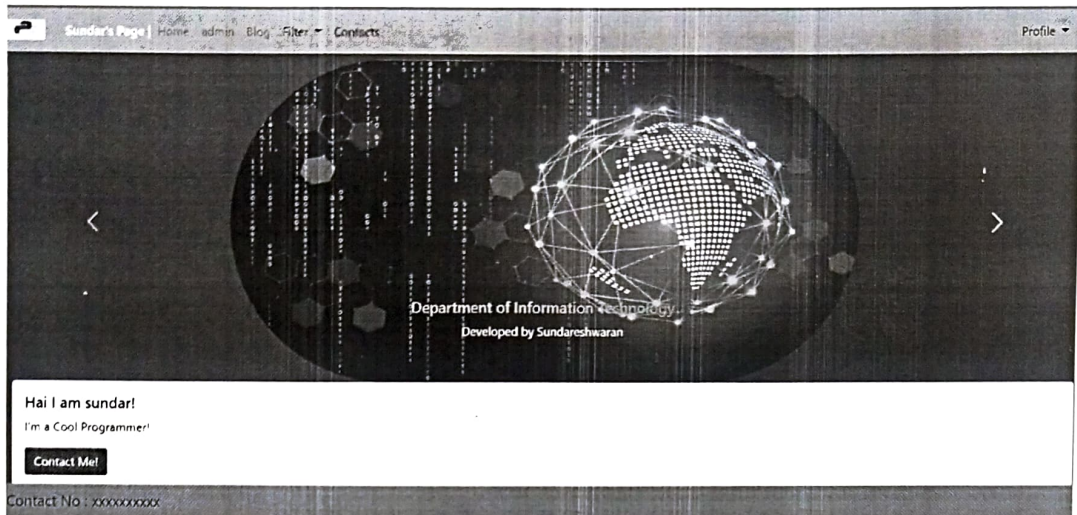

The session winded up with a valedictory function on 26.02.2022 with the great feedback from our students.

We expect this sort of courses to be conducted in future also.

**Student Feedback:**

- Wonderful session
- Clear explanation by resource person
- Complete Hands-on sessions
- Useful and interactive sessions
- Great opportunity for enhancing the skills on website development
- Free credentials for an online course at **productivvacademy**
