NSS DAY CELEBRATION

Date: 24/09/2022

NOT ME, BUT YOU." The motto of NSS itself suggests that NSS volunteer always places the 'community' before 'self'. Hence every year 24th September is celebrated as NSS Day. All the second-year NSS volunteers were actively participated for the distribution of Ashoka and Neem plant saplings to all the students and staff members of our college on behalf of NSS day celebration. Trees give off oxygen that we need to breathe. Trees reduce the amount of storm water runoff, which reduces erosion and pollution in our waterways and may reduce the effects of flooding. Many species of wildlife depend on trees for habitat. Trees provide food, protection, and homes for many birds and mammals. The volunteers could learn the importance of greens in the society. Dr.Senthil, Principal of our college distributed the plant saplings to the students and faculty members. The NSS Programme officer, Dr.P.Ganesh Prabhu also encouraged the volunteers and at the end, there was a photo session with the Principal, NSS programme officer and students.
