DEPARTMENT OF CIVIL ENGINEERING

Report on Value Added Course on 3D Modeling, Interior and Elevation Designing

To improve the employability skills of the students, the Department of Civil Engineering, in association with Thulir Interiors, Virudhunagar, has conducted a value-added course on 3D Modeling, Interior and Elevation Designing Using Sketchup, an advanced Building Modelling Software for second-year Civil Engineering students from 12.02.2024 to 15.02.2024. A total of 09 students were participated this training. During the course, the students prepared and analysed 3D Building models. The feedback received from the students was shared with the trainer, regularly. On 15.02.2024 the online assessment was conducted for the students. Day to-day feedback was collected. The photographs of the sessions are given below.
