Programme Summary Report

An Independence Day celebration drill performed by NCC (National Cadet Corps) cadets is a ceremonial and disciplined display that honors the spirit of India's independence. It showcases the dedication, patriotism, and unity of the cadets while paying homage to the country's freedom struggle and its leaders. Here's a possible outline for an Independence Day celebration drill performed by NCC cadets:

Formation and Arrival of Chief Guest:

The drill begins with the cadets forming neat rows and columns in an open area, preferably a parade ground. The chief guest, who could be a dignitary or a respected individual, arrives at the venue and is saluted by a guard of honor comprising NCC cadets.

Flag Hoisting:

The national flag is brought in a dignified manner to the flagpole by a color guard or a contingent of cadets. A bugle call or a patriotic tune is played as the flag is raised. The cadets stand at attention and salute as the flag is hoisted, and the national anthem is played.

March Past:

The cadets maintain proper alignment, spacing, and discipline while executing the march past. Each contingent could be led by a flag bearer and accompanied by a band or music troupe.

Josh Drill:

The "Josh Drill" is a term used to describe a high-energy and motivational drill performance often conducted by NCC cadets to boost morale, instill enthusiasm, and showcase their dedication and discipline. The choice of song for a "Josh Drill" can vary based on the theme of the performance and the preferences of the cadets and their instructors. However, the song is typically fast-paced, energetic, and inspiring.

Cultural Performances:

Cultural performances like traditional dances that celebrate India's diversity and cultural heritage are presented. These performances showcase the unity in diversity and the rich tapestry of Indian traditions.

NCC Coordinator

Felicitatation and Awards:

Outstanding cadets are recognized and honored for their achievements and contributions to NCC and the community. Medals, certificates, and awards are presented by the chief guest.

An Independence Day celebration drill by NCC cadets is a powerful way to instill a sense of patriotism, discipline, and dedication among the youth. It reminds everyone of the sacrifices made by freedom fighters and encourages a commitment to the nation's progress and well-being.

ONAM CELEBRATION 2023 REPORT

Date: 29.08.2023

Participants – II, III & IV Year students

In commemoration of the Indian annual festival 'ONAM 2023', the Fine Arts Club of our college conducted Cooking competition on the topic Kerala style food and Pookolam events for both boys and girls on **29th of August 2023** at our college premises. Students participated with great interest.

In cooking competition students prepared various dishes like different payasam, dishes using tapioca, dishes with jack fruit, katanchaya, halwa etc., All the participants were motivated and appreciated for their involvement.

Pookolam competition was conducted in the afternoon. Students participated in groups (2 students) and made the portico colourful with flowers. It was a platform for students to exhibit their creativity and team spirit.

These events helped the participants to understand the importance of annual festivals and also remember the culture and tradition followed in the nearby states.

Participants – II, III & Year students

In commemoration of Vinayakar Chaturthi, the Fine Arts Club of our college conducted the following events in our college premises.

1. Drawing - Goddess Ganesha
2. Clay Modelling - idol of Ganesha

Students presented their drawings using their own creativity and choices like pencil drawing, colour pencils, canvas boards and painting. Idol of Ganesha was made using natural clay and artificial clay. A finishing touch was given with their own imagination and creativity.

All the participants were motivated and appreciated for their involvement. It was a platform for students to exhibit their creativity and interest.

These events helped the participants to understand the importance of annual festivals.

PONGAL CELEBRATIONS - 2024 REPORT

Date: 13.01.2024

Time: 09.30 am to 4.00 pm

Venue: VNRT Conference Hall (Above canteen)

Total Number of students participated: 600

Pongal celebration was organized in our college to make students understand about the Harvest Festival. Various events like Rangoli, Dance, Singing and Uriadithal were conducted for students.

Rangoli competition was conducted on 12.04.2024 evening between 2.45 pm to 3.45 pm. Group dance, Karakattam and group singing were conducted on 13.01.2024 from 9.40 am. Students of II, III & IV year assembled in conference hall and encouraged the participants. All the students were in traditional outfit.

Our secretary CA.V.K. Dharmarajan felicitated the gathering. The participants for all the events were honoured by our Secretary, Vice President and Principal.

Silambam and Uriadithal were conducted in the ground. Both girls and boys participated in Uriadithal. Students participated with enthusiasm and they were encouraged by the audience and staff members. This was followed by Pongal preparation in the temple. Pongal was distributed to all the students and staff.

Pongal celebration has created unity and team spirit among students. This has also made them to understand the importance of festivals and know about our Tamil culture and heritage.

THE PRINCIPAL
IEI / MLC Institutional Member Engineering College

Dear Sir,

Greetings from The Institution of Engineers (India), Madurai Local Centre.

March 22nd of every year is observed as World Water Day by all Centres of IEI.

The Institution of Engineers (India), Madurai Local Centre likes to celebrate the World Water Day in a fitting manner on 22nd March 2024 (Friday), 6.00pm. **Kindly arrange to conduct a paper presentation competition in your College and select the best 2 papers (2 Students ONLY per team) and send to us on or before 06.03.2024, Wednesday by an email madurailc@ieindia.org.** We will invite the best paper selected students for presentation once again in our Centre (FN & AN) and they will be awarded and appreciated in our centre on 22.03.2024 at 6.00pm. In addition, we will give participation certificate to all the participants.

Your kind co-operation in this regard will be appreciated very much and also increase the morale of the students of your college.

Looking forward to work together.

With Warm Regards,

UdLath

World Water Day, 22 March 2024
Theme: "Water for Peace"

World Water Day 2024 carries the theme "Water for Peace," emphasizing the integral role water plays in encouragement of global peace and sustainable development. More than 3 billion people worldwide depend on water that crosses national borders. Yet, out of 153 countries that share rivers, lakes and aquifers with their neighbours, only 24 countries report having cooperation agreements for all their shared water. In a world grappling with conflicts exacerbated by water scarcity, pollution, and unequal access, this theme calls for a re-evaluation of our approach to water resources. Water scarcity often leads to competition and disputes among communities and nations, making it imperative to recognize water as a potential catalyst for peace building amongst nations. As climate change impacts global population, we must unite around protecting and conserving our most precious resource.

By working together to balance human rights and needs, water can be a stabilizing force and a catalyst for sustainable development. The theme accentuates the need for cooperative efforts to manage and distribute water resources equitably. Access to clean water is a fundamental human right aspect, and by promoting fair and transparent water governance, we can contribute to conflict prevention and resolution. Efforts to build water infrastructure, facilitate diplomacy around shared water sources, and implement sustainable water practices can lay the groundwork for peaceful coexistence and add to the achievement of the United Nations Sustainable Development Goals.

World Water Day 2024 serves as a platform to inspire individuals, communities, and governments to prioritize water as a tool for peace, which focuses on the critical role water plays in ensuring stability and prosperity of the world. By acknowledging the intricate connection between water, social stability, and economic development, the international community can work together to ensure that water resources become a source of cooperation rather than contention. As we celebrate this day, let us commit to fostering a culture of responsible water management and cooperation, ensuring that water is a catalyst for peace.

Time : 10.00 AM to 03.00 PM

Venue : CSE Conference Hall - II

BIS is the National Standards Body of India under the Ministry of Consumer Affairs, Food, and Public Distribution, Government of India. BIS has taken the initiative of creating Standards Clubs in educational institutions comprising teachers and students as members. Through a variety of activities under these Clubs, young talents get learning opportunities in the field of quality and standardization. Teachers have an important role in the activities of the Clubs and would serve as beacons of light, guiding and motivating students to channelize their creativity and enhance their scientific temperament. Though in its nascent stage, the Standards Clubs have already garnered prominence and are being enthusiastically promoted by educational institutions to supplement and improve the schooling experience of students and provide opportunities to better their professional and personal growth.

Department of Mechanical Engineering, in association with the Standards Club, conducted an customer awareness programme about World Consumer Rights Day, Indian Standards, and the BIS App on 12th March 2024 in the CSE Conference Hall-II. This awareness programme about the importance of standardization and quality control was participated by 85 students. Welcome address was given by the mentor of the Kamaraj College of Engineering and Technology – Standards Club, Dr.K.Murugananthan. While our Head of Department, Dr.S.Thangakasirajan, Associate Professor, felicitated the gathering with his motivating and encouraging words about the spreading awareness on standardization.

The orientation was provided by Mr. M.Sivakumar, Standards Promotion Officer, BUREAU OF INDIAN STANDARDS to equip volunteers with necessary knowledge and skills. This "Youth to Youth" campaign encourages young volunteers to engage with their peers and their parents in spreading awareness about standardization.

Interested Volunteers are asked to interact with a minimum of 25 fellow youths and their parents, distributing pamphlets about BIS and sharing information about mandatory certification for common household items.

All volunteers will be provided with caps and badges featuring the BIS logo, denoting their role as 'Manak Mitra'. Volunteers will receive an honorarium of 1,500/- contingent upon successful engagement and submission of details for 25 interactions via the Quality ConnectApp.

Dear Sir/Madam,

We are thrilled to announce the upcoming World Consumer Rights Day celebrations organized by the Bureau of Indian Standards (BIS) on March 15, 2024. As you are aware, BIS is the National Standards Body of India under the Ministry of Consumer Affairs, Food, and Public Distribution, Government of India.

To mark this significant occasion, BIS Madurai is hosting a series of engaging activities across various educational institutions, including yours, to raise awareness about the importance of standardization and quality control among youth as well as their parents.

Your institution has been selected to host one of these events, specifically the "Youth to Youth" campaign. This campaign encourages young volunteers to engage with their peers and their parents in spreading awareness about standardization. Here are some key instructions for the campaign:

- Each college is requested to provide 25 to 50 students as volunteers.
- Volunteers will interact with a minimum of 25 fellow youths and their parents, distributing pamphlets about BIS and sharing information about mandatory certification for common household items.
- An orientation program will be conducted to equip volunteers with necessary knowledge and skills.
- All volunteers will be provided with caps and badges featuring the BIS logo, denoting their role as 'Manak Mitra'.
- Volunteers will receive an honorarium of 1,500/- contingent upon successful engagement and submission of details for 25 interactions via the Quality Connect App.

We kindly request you to share the registration link for the "Youth to Youth" campaign among your students to encourage their participation. Your support in disseminating information about World Consumer Rights Day, Indian Standards, and the BIS App for creating customer awareness would be greatly appreciated.

Registration Link for Youth-to-Youth Campaign: <https://forms.gle/F6xsjAgMTYD4Fyys9>

For further clarifications or assistance in coordinating the World Consumers Rights Day celebrations, please feel free to contact Mr. Sivakumar (Standards Promotion Officer) at 8667841920.

We appreciate your cooperation in promoting the significance of standardization and contributing to the success of the BIS World Consumers Rights Day celebrations.

Warm regards,

Programme Summary Report

On 21.06.2024, we had a program on international yoga day with all NCC and hostel students of Kamaraj College of Engineering and Technology. The program was conducted on indoor stadium by the time of 7:00 am to 8:45 am.

Principal sir gave an introduction about the Chief Guest Sv. P. N. S. T. J. S. Sivanesh Kumar, B.Tech, M.B.A. He is also an alumni of our college and shared his college days experience and his achievement in his future aim. The important idea which he shared to the young engineers are to have a proper physical work out which makes their body soul and mind to have a pleasant state. Felicitation was given by our Secretary Thiru CA. V. K. Dharmarajan Sir. The day for all students was like a refreshing day where all came to know more knowledge on yoga and it's importance for having a healthy human life. The final event was having prize distribution for winners who did their best work on demonstrating their yoga and expressed their talents. At last there was plantation of plant samplings in college ground which made us to think socially and our honourable principal sir and Chief Guest planted it.
