036.08.109	Report on Exam Cell Activities	Exam result publication and exam schedule of this semester was discussed
036.09.109	IQAC Activities	Discussed about the workshop organized
036.10.111	Any other items - New Initiatives	<ul style="list-style-type: none"> <li>• Face the Challenge, which is a initiative aimed at helping students to improve their speaking, communication skills and academic marks.</li> <li>• "One Student, One Industry" is initiated requiring every student to directly approach, email and adapt to the specific industry for the project work.</li> <li>• Utilizing second year students as internal placement interns who contact directly with alumni association and industries during evening hours for placement initiatives</li> </ul>
036.11.111	Any other Items - Suggestions from Members	<p>Er. R.K. Durgesh, Nominee of Industry, expressed his appreciation for the successful completion of various institutional activities and events. He further suggested that stress-buster programmes for faculty members should be conducted once in a month or once in every 45 days to promote quality oriented development and the overall well being of faculty members. Additionally, it was recommended that third year students should be encouraged to learn and practice programming languages such as Java and Python.</p> <p>Er. Ramji Srimurugan, one of the Nominees of Local Society, appreciated the improvement in research grants. He suggested that additional motivation and encouragement should be provided to further enhance the research activities. It was discussed that industries require colleges to actively seek government grants, and therefore the institution should strengthen its industry interaction. The student internship and placement initiatives were appreciated, as they help students gain employability skills and industry exposure.</p>

	<p>Suggestions from Members</p>	<p>Mr.Y. Ajith Kumar, Nominee of Industry, emphasized the importance of continuously improving academic standards by benchmarking with premier institutions such as IITs. He also suggested that the syllabus should be revised annually in accordance with recent technological advancements and evolving industry requirements to enhance students' employability and technical competency. He also emphasized the need to align institutional activities with the latest technological trends in order to equip students to excel in the industry. The importance of understanding new AI technologies such as AGI and ASI was highlighted so that students can clearly comprehend the details of the questions and generate meaningful solutions.</p> <p>Mr.K.R.Padmanaban, Alumni Nominee, suggested that to improve self-sustainability, the campus should develop a biogas plant and changing the buses to electric buses. To implement these initiatives, a Campus Sustainability Crisis Committee may be constituted. He also recommended the adoption of solar energy for power backup and the use of electric buses to ensure continuous and environmentally sustainable energy availability. He appreciated the hard work of the faculty members.</p> <p>Mrs. K. Vasavi Suganya, the parent nominee, highly appreciated the campus academic activities and emphasized the critical need for both students and faculty to adapt to the latest technologies.</p> <p>Ms.Vijayavani Ramaselvam, the student nominee, expressed her appreciation for the faculty's guidance and the engaging space club activities. She specifically highlighted the "Face the Challenge" initiative as a very helpful opportunity that successfully enables students to improve their speaking skills and score higher marks.</p>

	Suggestions from Members	<p>Dr. S. Senthil, Principal, highlighted about one student one industry initiation in the institution. Students are instructed to follow a "reverse engineering" workflow they must directly approach external industries first, identify real world industrial problems, and only then begin their projects. He highlighted about introducing student passport system.</p> <p>Thiru. R.Mahesh Kumar, Secretary &amp; Management Representative, accomplishments, the current performance was recognized as excellent and widely regarded as the "talk of the town". He pointed out that premium institutions like the IITs are uniquely successful because they are purely funded by the government and hold prestigious branding. Top 500 fortune companies also prefer only IIT's for placement. To replicate this level of industry integration, the college is implementing a strict "one Student, one Industry" policy, mandating that students start by sending professional emails and adapting directly to the culture of their target companies. As part of this push, the campus will host an Industry Facilitation Conclave on July 1<sup>st</sup>, to honor 30 industrialists.</p>
036.12.112	To fix the Date for Next Meeting	The next meeting will be held tentatively during the third week of August 2026.
036.12.113	Vote of Thanks	Dr.A. Anandh, Professor/CSE & NAAC coordinator proposed the Vote of Thanks.
