	<p>The members recommended strengthening the Mentoring process from first year itself that will enable students to identify their goals and mould themselves accordingly. The members iterated that records of the mentoring system can be made more prominent.</p> <p>The members greatly appreciated college management for the developmental activities taken place in the institution as a result of feedback and suggestions received during various Internal IQAC meetings.</p> <p>The Industry members appreciated our students' quality in terms of technical knowledge and confidence while facing the placement drives and when placed in various industries. At the same time, the members suggested concentrating on improving the communication skills of our students through training programmes. They also suggested to implement special training in cultivating the Design Thinking Skills in the students which is necessary for students to think critically and develop innovative products. It will also help students in their growth in career.</p> <p>The industry representatives emphasized the importance of enabling students to streamline their career choices from the first year itself through structured and effective mentoring. This proactive approach would allow the institution to guide students in aligning their academic and co-curricular activities with their chosen career paths, by facilitating targeted internships, relevant value-added courses, focused projects, and appropriate certification programs.</p>
