## **Student Induction Programme – 2025-2026**

### **About the Institution**

Our College was established in the year 1998. It is promoted and supported by Virudhunagar Hindu Nadars' Devasthanam, various Hindu Nadars' Mahamai Tharappus in Virudhunagar and other places and educational institutions of Virudhunagar. The management of the institution consists of the elected members of various Mahamai Tharappus and ex-officio members of various educational institutions of Virudhunagar. The office bearers, the president, the vice-president, the secretary, the joint secretary and the treasurer - are elected by the managing board members.

Our College is ideally located on the home land of Karmaveerar "Bharat Ratna" K. Kamaraj and our institution is one of the Virudhunagar's most recognisable landmark. Our beloved Patron Thiru.A.S.K.A.M. Nagarajan magnanimously donated 50 Lakhs and Our Founder Secretary Er.S.P.G.C. Srimurugan has donated 25 acres of Land for the progress of our college. Our Institution is growing with sustained progress due to the generous contributions from Virudhunagar Devasthanam, Various Mahamai Tharappus and Educational Institutions. Presently, Our College spans to 47.92 acres of land.

### **About SIP 2025**

Student Induction Programme is a multi-pronged approach authorized by AICTE to help the freshers enrolled in engineering institutions across the country to adapt to the ensuing academic engineering ambience enthusiastically.

Staff in charges of the student induction programme work closely with the newly joined students in

1. making them feel comfortable
2. allow them to explore their academic interests and activities
3. reduce competition and make them work for excellence
4. promote bonding within them
5. build relations between teachers and students
6. give a broader view of life, and build character.

## **Student Induction Programme–2025-2026**

### **INAUGURATION**

A student's induction programme was held to encourage first-year students. The Secretary, Mr. C.A. V.K. Dharmarajan, welcomed the first-year students and their parents. Mr. U.S. Ramaswamy, Associate Professor of English, introduced the special guest - Vijay TV anchor, Mr. Gopinath. He delivered an inspiring speech to the students. He said, "From now onwards, it is the students' responsibility to develop themselves. All the things in life are under control. Do not let others decide your knowledge, ability, talent, ability, and personality; decide for yourself. Develop the ability to learn everything new. Today, technology itself teaches you how to learn technology. Only by adapting yourself appropriately in the changing environment you can understand and know this world. You cannot reach the peak of success in the first step. Only by taking small steps towards success you can reach the peak of success. Only education can change you, your home, friends, parents, and relatives. Only children who come from difficult circumstances will be responsible for changing society." The principal of the college, Dr. S.Senthil, proposed the vote of thanks. Prizes are given to the Students for those who secured higher cutoff marks in 12th standard. The Vice-President of the college Mr. K.R. Balakrishnan, Treasurer Mr. S.P.G.C. Srimurugan, professors, students, and their parents were present on the occasion.

## Student Induction Programme-2025-2026

A student's induction programme was held to encourage first-year students. The Secretary , Mr. C.A. V.K. Dharmarajan, welcomed the first-year students and their parents. Ms. Sridharshini of Third year AI&DS introduced the special guest - Tamil cinema comedy actor Mr. Sathish. He delivered an inspiring speech to the students. He said, "He shared his experience with great enthusiasm. He insisted that Heroism is not about impressing others to show one's uniqueness. Students have to prove themselves in real life scenarios and become a hero. Parents should not compare their children with others because parents are the best example for their children. So, he also insisted that parents must set an example for their children in teaching them virtues. Students should collect humorous memories in the midst of all the difficult situations. These memories can be cherished in the future. He also added that teachers are the people who can be next to the parents. So, students should respect them. He also concludes by saying that this generation has more opportunities everywhere but there is no next chance in such a situation. Therefore, in any situation, there is a failure or mistake

### WHY SIP? WHY UHV?

## Student Induction Programme-2025-2026

### Module I - UNIVERSAL HUMAN VALUES

#### OBJECTIVES OF THE EVENT:

1. To help the student to see the need for developing a holistic perspective of life
2. To sensitise the student about the scope of life – individual, family (inter-personal relationship), society and nature/existence
3. Strengthening self-reflection (Self awareness)
4. To develop more confidence and commitment to understand, learn and act accordingly

#### ABOUT THE EVENT :

Universal Human Values (UHV) provides well-tested foundational inputs which are universal, rational, verifiable, all-encompassing and leading to harmony, i.e., leading to wellbeing of all. These values are universal in nature, applicable to all human beings, in all places and all times. This model has been successfully applied in more than 40 universities in 10 states over the last 17 years; and since 2017 across the Nation by AICTE.

Dr.V.Sumathi, Associate Professor/ Mathematics,Sri Sairam Engineering College, Chennai & AICTE NCCIP \_ UHV - Regional Co-ordinator, Southern Region, TN inaugurated the KCET-UHV CELL on 01.09.2025

### UHV-I: Self-Management & Relationship

#### Self-Management

- **Focus:** Developing right understanding of self, clarity in goals, and balance in life.
- **Key Aspects:**
  1. Awareness of natural acceptance and self-reflection.
  2. Self-discipline in managing desires, thoughts, and emotions.
  3. Time management and prioritization for productive living.
  4. Cultivating confidence, inner harmony, and responsibility.
  5. Building competence for holistic development (body–mind–self balance).

#### Relationship

- **Focus:** Understanding human-to-human relationships on the basis of trust and respect.
- **Key Aspects:**
  1. Recognizing trust as the foundation of relationships.
  2. Developing mutual respect, affection, and care.
  3. Effective communication and conflict resolution through dialogue.
  4. Strengthening family, peer, and social bonds.
  5. Contributing to harmony at individual, family, and societal levels.

**Outcome :** This module helps students **manage themselves effectively** and **nurture fulfilling relationships**, laying the foundation for a value-based and harmonious life.

### UHV-II: Aspirations & Concerns, Health & Environment

#### Aspirations & Concerns

- **Focus:** Understanding human aspirations and aligning concerns with right living.

## Student Induction Programme–2025-2026

- **Key Aspects:**

1. Differentiating between short-term wants and long-term aspirations.
2. Realizing prosperity as a feeling of “enough,” not mere accumulation.
3. Addressing concerns (career, security, relationships) with right understanding.
4. Reducing stress and conflict by prioritizing meaningful goals.
5. Developing a balanced outlook towards self, family, and society.

### Health

- **Focus:** Maintaining harmony of body, mind, and self.

- **Key Aspects:**

1. Recognizing health as holistic well-being, not just absence of disease.
2. Adopting right food, exercise, sleep, and lifestyle practices.
3. Managing stress and emotions for mental health.
4. Cultivating self-discipline and preventive care habits.
5. Living responsibly for sustained wellness.

### Environment

- **Focus:** Living in harmony with nature and ensuring sustainability.

- **Key Aspects:**

1. Understanding interdependence between humans and the natural world.
2. Sensitizing towards conservation of resources.
3. Practicing eco-friendly and sustainable living.
4. Recognizing environmental balance as essential for human survival.
5. Commitment to nurturing nature for future generations.

**Outcome :** This module helps students **gain clarity on life aspirations, adopt a healthy lifestyle, and cultivate environmental responsibility**, leading to harmony at all levels of living.

### Module II - YOGA SESSION

#### About the event

- Yoga can improve strength, flexibility, and balance.
- Yoga often incorporates relaxation and mindfulness techniques, helping participants reduce stress, calm their minds, and find mental clarity.
- Yoga aims to foster a stronger connection between the mind and body.
- Many yoga poses focus on alignment and proper posture, which can help participants develop better posture habits in their daily lives.

#### About the session

An invigorating yoga class took place at the Indoor Stadium from 2:45 PM to 4:00 PM, exclusively for girls. The class was led by the experienced yoga instructors, Ms. Sabitha & Mr. Sathish Kumar with a focus on teaching the fundamentals of yoga, including basic poses and techniques.

#### Participants:

The class was exclusively attended by girls, creating a comfortable and supportive environment for all attendees.

#### Session Highlights:

**Welcome and Warm-Up (3.10 PM - 3.30 PM):** The session began with a warm welcome from Ms. Sabitha, who encouraged participants to leave their worries and stress outside and enter the class with a calm and open mind. A brief warm-up routine was conducted to prepare the participants' bodies for the yoga practice ahead.

**Basic Yoga Poses (3:30 PM – 4.00 PM):** Ms. Sabitha proceeded to teach the participants a series of basic yoga poses. These included foundational asanas such as Child's Pose, Downward-Facing Dog, Cobra Pose, and Mountain Pose. Emphasis was placed on correct alignment, breath control, and gradual progression into more advanced poses.

## Student Induction Programme-2025-2026

**Guided Meditation and Relaxation (4.00 PM - 4:25 PM):** As the class concluded, Ms. Sabitha led a guided meditation and relaxation session. This provided participants with a chance to unwind, relieve any tension, and experience mental clarity.

### Module IV - HISTORIC VISIT

#### Overview

All the first year students went to Kamarajar House in Virudhunagar as part of the Historic visit during Student Induction Programme 2025-2026.

The historic visit to Kamarajar's house in Virudhunagar is a journey into the life and legacy of one of Tamil Nadu's most revered political leaders, K. Kamaraj. The house, which has been converted into a memorial, serves as a testament to his simplicity, integrity, and unwavering commitment to public service. The house is more than just a museum; it's an educational and emotional experience. Many visitors, including students and history enthusiasts, find the visit inspiring. The stories behind the exhibits, often shared by knowledgeable staff, provide a deeper understanding of his contributions, particularly in the fields of education and social welfare. He is widely credited as the "Father of Education" in Tamil Nadu for his initiatives, such as the midday meal scheme.

#### 1. Eminent Lecture on “Strengthening Skills, Shaping Personality : The foundation for Engineering Success ” – Dr.P.Mathumathi (30.08.2025)

A special lecture on “**Strengthening Skills, Shaping Personality: The Foundation for Engineering Success**” was organized on 30.08.2025. The session was delivered by **Dr. P. Mathumathi**, who emphasized the importance of skill development and personality shaping in the journey of every engineering student.

In her address, Dr. Mathumathi highlighted that technical expertise alone is not sufficient in the competitive world. She stressed the need to strengthen communication skills, critical thinking, problem-solving ability, and teamwork, which together contribute to professional success. She also pointed out that personality traits such as confidence, integrity, adaptability, and leadership are equally vital in shaping a successful engineer.

The session motivated the students to focus not only on academics but also on continuous self-improvement. The lecture was highly beneficial and inspiring, guiding students to lay a strong foundation for their future careers in engineering.

The program concluded with a vote of thanks to Dr. P. Mathumathi for her valuable insights.

### 2. Eminent Lecture on “Smart Living, Safe Society, Strong Future” –

Mr.B.S.S.Jegan(29.08.2025)

On **29th August 2025**, a special lecture on “**Smart Living, Safe Society, Strong Future**” was organized at our institution. The session was delivered by **Mr. B. S. S. Jegan**, who addressed the students on the importance of responsible living and social awareness in building a progressive future.

In his talk, Mr. Jegan emphasized that smart living is not only about using modern technology but also about adopting a disciplined, sustainable, and value-based lifestyle. He highlighted the role of individuals in ensuring safety in society through awareness,

## Student Induction Programme-2025-2026

cooperation, and adherence to ethical practices. He further stressed that the combination of smart choices and social responsibility paves the way for a strong and secure future for the nation.

The lecture was both informative and inspiring, leaving students motivated to practice safe habits, embrace smart living, and contribute positively to society.

The program concluded with a vote of thanks, appreciating Mr. B. S. S. Jegan for his valuable insights.

## Student Induction Programme-2025-2026

### 3. Eminent Lecture on “Reach your Pinnacle” – Ms.T Shobana (30.08.2025)

On 30th August 2025, an inspiring motivational session on “Reach Your Pinnacle” was conducted at our institution by **Ms. T. Shobana**. Addressing the students, she emphasized the importance of self-confidence, determination, and continuous learning in achieving success.

Ms. Shobana encouraged students to set clear goals, overcome challenges with perseverance, and nurture a positive attitude. She highlighted that discipline and hard work are the true stepping stones to reaching one’s highest potential. Her words inspired the students to believe in themselves and strive for excellence in both academics and life.

The session was interactive and thought-provoking, leaving a lasting impact on the young minds. The program concluded with a vote of thanks, appreciating Ms. Shobana for her valuable and motivating address.

## **Student Induction Programme-2025-2026**

### **“Inauguration of UHV Cell” – Dr.V.Sumathi**

The inauguration of the **Universal Human Values (UHV) Cell** was held at our institution on 01.09.2025. The program was graced by **Dr. V. Sumathi**, who inaugurated the cell and addressed the students on the importance of values in personal and professional life.

In her inspiring address, Dr. V. Sumathi highlighted how universal human values form the foundation for a meaningful life and a harmonious society. She emphasized the need for students to cultivate values such as honesty, compassion, respect, and responsibility, which are essential for both academic success and personal growth. She also encouraged the students to integrate values with their knowledge and skills to become responsible citizens and contribute positively to the nation.

The session was highly interactive and thought-provoking. Students actively participated and expressed their views on the relevance of values in today’s fast-changing world. The inauguration of the UHV Cell marks a significant step in promoting value-based education in the institution.

The program concluded with a vote of thanks, acknowledging Dr. V. Sumathi for her insightful guidance and encouragement.

### ACTIVITY 2 – HOLISTIC FOOD

#### Objectives of the Event

Ø To acquaint first-year students with the concept of a wholesome and balanced dietary regimen.

Ø To provide insights into the nutritional content of commonly consumed food items and encourage mindful eating habits

#### About the Activity

The Holistic Food Event was designed as an interactive and engaging activity focusing on healthy eating and creativity.

- Students were divided into 8–10 groups for better participation and collaboration.
- Each group was instructed to prepare dishes without the use of fire, emphasizing fireless cooking techniques.
- Participants were guided on selecting ingredients based on nutritional value, ensuring a healthy approach to recipe preparation.
- In addition to preparing their dishes, each group created a Nutrition Chart explaining the caloric value, macronutrient composition, and health benefits of their dish.
- A panel of judges evaluated the dishes based on the following five criteria:
  - o Choice of Ingredients
  - o Creativity
  - o Presentation
  - o Nutrient Value

## Student Induction Programme-2025-2026

### Outcome of the Event

- Students were able to identify nutritional components in everyday food items.
- They learned to differentiate between healthy and less-healthy food options.
- The event fostered teamwork, creativity, and nutritional awareness.

### ACTIVITY 3 – BIRDS FEEDER MAKING

#### Objectives of the Event

- To encourage creativity and hands-on skills in designing eco-friendly bird feeders using sustainable materials.
- To promote awareness about the importance of biodiversity and caring for local bird species.
- To develop a sense of responsibility among students towards environmental conservation and protection.

#### About the Activity

- In this activity students were grouped into 6 to 7 batches.
- Students were asked to build birds' feeder.
- A bird feeder can be designed using simple, eco-friendly materials like plastic bottles, coconut shells, or wood to hold grains and seeds.

## **Student Induction Programme-2025-2026**

- After that they had to implement the bird's feeder in different location in and around the college campus.
- At last, prizes were given for the best birds' feeder design based on the following rubrics- Choice of materials (Biodegradable on non-biodegradable), Creativity, and Design of the feeder.

### **CLUB ORIENTATION**

#### **Personality and Character Development Programme**

An Orientation programme was organised for all the first year B.E/B.Tech students on 02.09.2025. As per the regulation 2021, Character and Personality Development Programme is mandatory. Students should undergo 80 hours of training in this programme. For that purpose, various clubs are formed in the following Categories:

- NCC
- NSS
- NSO (Sports & Fit India)
- YRC (Youth Red Cross)
- Photography
- Literary Association
- Fine arts
- Eco Club
- Ramanujan Club
- Programmers Club
- Science Club
- Robotics Club and Tamil Mandram )

In order to introduce the clubs to the students, the coordinators of the various clubs gave a presentation on that day. On the next day, students were given forms to give their club preferences.
