## About the Institution

Our College was established in the year 1998. It is promoted and supported by Virudhunagar Hindu Nadars' Devasthanam, various Hindu Nadars' Mahamai Tharappus in Virudhunagar and other places and educational institutions of Virudhunagar. The management of the institution consists of the elected members of various Mahamai Tharappus and ex-officio members of various educational institutions of Virudhunagar. The office bearers, the president, the vice-president, the secretary, the joint secretary and the treasurer - are elected by the managing board members.

Our College is ideally located on the home land of Karmaveerar "Bharat Ratna" K. Kamaraj and our institution is one of the Virudhunagar's most recognisable landmark. Our beloved Patron Thiru.A.S.K.A.M. Nagarajan magnanimously donated 50 Lakhs and Our Founder Secretary Er.S.P.G.C. Srimurugan has donated 25 acres of Land for the progress of our college. Our Institution is growing with sustained progress due to the generous contributions from Virudhunagar Devasthanam, Various Mahamai Tharappus and Educational Institutions. Presently, Our College spans to 47.92 acres of land.

## About SIP 2024

Student Induction Programme is a multi-pronged approach authorized by AICTE to help the freshers enrolled in engineering institutions across the country to adapt to the ensuing academic engineering ambience enthusiastically.

Staff in charges of the student induction programme work closely with the newly joined students in

1. making them feel comfortable
2. allow them to explore their academic interests and activities
3. reduce competition and make them work for excellence
4. promote bonding within them
5. build relations between teachers and students
6. give a broader view of life, and build character.

## **UNIVERSAL HUMAN VALUES**

### **OBJECTIVES OF THE EVENT:**

1. Development of a holistic perspective based on self-exploration about themselves (human being), family, society, and nature/existence.
2. Understanding (or developing clarity) of the harmony in the human being, family, society, and nature/existence
3. Strengthening of self-reflection.

Title: UHV- Student Induction Program What & Why and Right Understanding -4 Levels of Harmony

### **ABOUT THE EVENT :**

1. The purpose of the session was to motivate the students to inculcate Universal Human Values in them.
2. The Universal Human Values (UHV) session covered the following areas:
  - a. Method to fulfil the human aspirations: understanding and living in harmony at various levels.
  - b. Understanding the harmony of I with the Body: Sanyam and Health; correct appraisal of Physical needs, meaning of Prosperity in detail
  - c. Understanding the harmony in the society (society being an extension of family): Resolution, Prosperity, fearlessness (trust) and co-existence as comprehensive Human Goals
  - d. Understanding the harmony in Nature
  - e. Self-Exploration—what is it? - Its content and process; ‘Natural Acceptance’ and Experiential Validation- as the process for self-exploration
  - f. Right understanding, Relationship and Physical Facility- the basics
3. Lecture hours were used for interactive discussions, placing the proposals about the topics at hand and motivating students to reflect, explore and verify them.
4. Depending on the nature of topics, activities were included.
5. Only the faculty members who had completed the workshop conducted by AICTE successfully were allowed to handle the UHV Sessions.

### **OUTCOMES OF THE EVENT:**

1.By the end of the course, students are expected to become more aware of themselves, and their surroundings (family, society, nature); they would become more responsible in life, and in handling problems with sustainable solutions, while keeping human relationships and human nature in mind.

2. They would have better critical ability. They would also become sensitive to their commitment towards what they have understood (human values, human relationship and human society). It is hoped that they would be able to apply what they have learnt to their own self in different day at least a beginning would be made in this direction

### **UHV- Aspirations & Concerns**

The session focused on the **basic human aspirations** – continuous happiness and prosperity. It emphasized the role of **right understanding, fulfilling relationships, and adequate physical facilities**. Students were guided to shift from *animal consciousness* (material focus) to *human consciousness* (holistic living).

**Outcome:** Students realized that real fulfilment lies in clarity, harmony, and balanced living.

## UHV- Self Management and Natural Environment

### Self-Management

The session focused on regulating emotions, thoughts, and behavior through **discipline and organization**. Key skills discussed included **SMART goal setting, time management techniques (Pomodoro, Eisenhower Matrix), self-discipline, adaptability**, and the use of digital tools (Trello, Google Calendar, Headspace).

**Outcome:** Students gained practical methods to manage academics, reduce stress, and improve productivity.

## Natural Environment

The session highlighted the role of the **atmosphere, hydrosphere, lithosphere, and biosphere** in sustaining life. Students learned about **ecosystem services** such as air and water purification, food and medicine supply, climate regulation, and flood control. Activities like crossword and word hunt were conducted.

**Outcome:** Students realized the importance of ecological balance and their responsibility in protecting the environment.

**Title: UHV- Relationships and health**

## Health

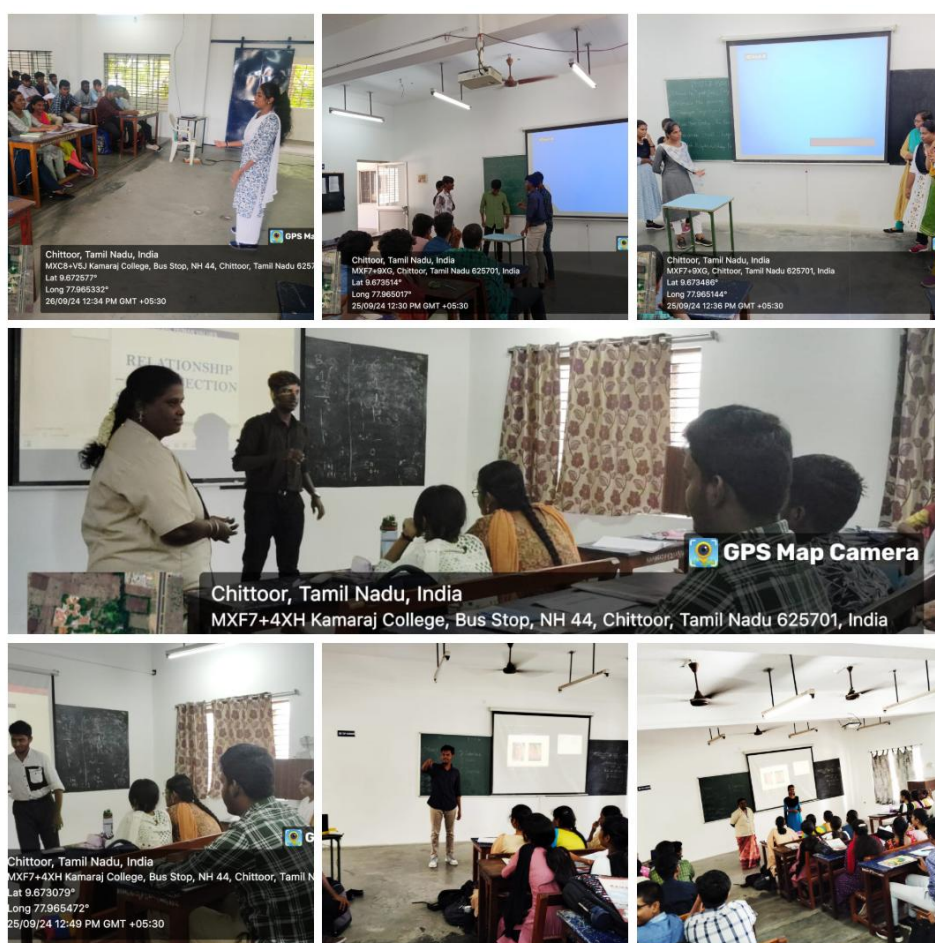

The session emphasized the importance of maintaining **physical and mental well-being** for academic and personal success. Topics included balanced diet, regular exercise, stress management, yoga, and mindfulness practices. Students were encouraged to adopt a healthy lifestyle to enhance concentration and energy.

**Outcome:** Students understood that good health is the foundation for continuous learning, productivity, and overall happiness.

## Relationship

The session highlighted the significance of **harmonious relationships** in ensuring happiness and prosperity. Key values such as trust, respect, care, and responsibility were discussed. Students reflected on the importance of empathy and mutual understanding in family, friendships, and society.

**Outcome:** Students realized that strong, value-based relationships are essential for emotional stability, cooperation, and a fulfilling life.

# YOGASESSION

## **Introduction:**

In Student Induction Programme Yoga module was designed to welcome and orient new students to our yoga community. This initiative aims to provide participants with foundational knowledge of yoga practices, philosophy, and community values, ensuring a supportive and enriching environment for their yoga journey.

## **Objectives of the Module/Activity/Event:**

The primary objectives of the induction programme were to:

**Orient Students:** Introduce students to yoga philosophy, studio etiquette, and facilities.

**Skill Development:** Teach basic yoga postures (asanas), breathing techniques (pranayama), and meditation practices.

**Foster Community:** Create a sense of belonging among students through interaction and shared experiences.

**Promote Safety:** Educate students about safe practices and injury prevention in yoga.

## **3. About the Module/Activity/Session**

The induction programme was conducted by Ms. Sabitha, a qualified yoga trainer, from September 24 to September 27, 2024. Each day included practical sessions tailored for 12 different batches, scheduled from 3:00 PM to 4:25 PM. The structure of the sessions included:

Day 1: Introduction to yoga philosophy and basics.

Day 2: Focus on practicing asanas and pranayama, emphasizing alignment and breath awareness.

Day 3: Meditation techniques and a community sharing circle to discuss experiences and insights.

These sessions aimed to equip students with essential skills while fostering a supportive community atmosphere.

**YOGA PRACTICE BY GIRLS STUDENTS**

## **LITERARY ACTIVITIES**

### **ELOCUTION**

To develop students' language skills effectively, it is important to provide them with opportunities to practice and enhance their abilities. This helps students grow their communication talents and confidence.

By organizing activities such as debates, discussions, and cultural events, students can learn to express their ideas clearly and participate actively. These experiences help them understand their strengths and weaknesses and encourage continuous improvement.

#### **Objective of the Module/Activity/Event**

Students should be guided to develop good habits like honesty, discipline, and teamwork. They must be aware of their responsibilities and work sincerely toward their goals.

you have the power to achieve great things! Use all the resources around you—books, media, teachers, and mentors—to expand your knowledge and skills. Remember, education is not just about academic knowledge but about becoming responsible, capable, and confident individuals.

#### **About the Module/Activity/Session**

Our youth are the foundation of the future. With proper guidance and dedication, you can shine brightly and contribute positively to society.

Let us all support and nurture the talents of our students, helping them grow into knowledgeable and responsible citizens.

Let us nurture our youth –

With **energy**,

With **purpose**,

With **wisdom**,

With **passion**

## ELOCUTION

## DEBATE

### Developing Students' Language and Communication Skills – A Vision for the Future

To enhance students' language skills, they must be given opportunities to participate in a wide range of activities such as cultural events, debates, speech competitions, creative writing, drama, and group discussions. These platforms allow students to express themselves clearly and confidently, thus building essential communication and interpersonal skills.

Through such exposure, students will learn to:

- Articulate their thoughts effectively
- Develop self-confidence
- Work in teams
- Cultivate leadership qualities
- Embrace responsibility and discipline

It is important to recognize that education is not just about acquiring book knowledge. It's about shaping individuals who are socially responsible, confident, and capable of contributing positively to the world around them.

**Teachers and parents** play a vital role in guiding students to discover and sharpen their hidden talents. By encouraging expression and creativity, we help them prepare for real-world challenges.

### Words to Inspire Our Students:

- **Dear students!**  
The power to shape the future lies within you!
- **Hard work brings success** – This is not just a saying, but a truth proven through action.
- **The words you speak**  
– become the voice of your character.
- **Let your talents shine**  
– Let your future be bright!

These skill-building activities will help students express themselves fully, become well-rounded individuals, and grow into leaders of tomorrow. Whether in **art, science, literature, or social service**, students must be encouraged to participate, explore, and contribute.

## DEBATE

# **CREATIVE PRACTICES**

## BIRDS FEEDER

A bird feedersession is a module event usually refers to an activity where students set up and maintain bird feeders to attract wild birds and observe them. This can be a simple act of placing a feeder in a yard or garden, or it can be a more organized event with the goal of attracting a variety of birds and learning about them.

### Objectives of the Event :

- Birds play a significant role in ecosystems.
- Promote environmental awareness by encouraging students to care for local bird species and support biodiversity through sustainable feeding practices.
- Foster community engagement by involving students in hands-on activities that nurture compassion for nature and create a healthier ecosystem.

### About the Activity

- In this activity students were grouped into 9 to 10 batches.
- Students were asked to build birds' feeder.
- They were advised to bring the necessary materials to build design of bird's feeder.
- They had to design the feeder and also they had to implement the bird's feeder in different location in and around the college campus.
- At last, prizes were given for the first best birds feeder design based on the following rubrics- Choice of materials (Biodegradable on non-biodegradable), Creativity, and Design of the feeder.

## VALEDICTORY

The Valedictory function of First year's Student Induction Program (SIP-2024) was held on 28/09/2024. It was initiated with a prayer song. Dr. S. Senthil, Principal welcomed the gathering with his warm greetings. I year students gave their valuable feedback and shared the knowledge gained through various activities done during the Student Induction Program. A video presentation was done on students' creativity. The program ended with the singing of the National Anthem.
